	Wonderful Wednesdays
Nursery	Activities planned during the continuous provision on Wednesdays that supplement the topic curriculum by challenging the children with activities that they wouldn't be able to do usually or without adult support. These are planned on a weekly basis on a needs basis and include a range of skills from cooking, baking, creating etc.
Reception	

	Flexi Choice	Perform	Outdoors	Skills for life	Enterprise	Whole School Project
Year 1	This is the chance for you to share your own hobbies and passions with the children. Each member of staff needs to choose their own little club to run for the half term and children can choose which one they would like to do.	Singing – a chance to put together a small concert for another year band or parents, singing some of your favourite songs	Little Explorers – Here are some activities for you to try: Barefoot Walk (Bear Hunt Story) Nature Pictures (link to a story like the three little pigs and make pictures of the houses out of different materials)	Life Skills – Here are some activities for you to try: Understanding money Going to the shop Brushing your teeth properly Sandwich making Tying your laces Simple sewing		A Night at the Museum – a chance to prepare an interactive, whole-school experience for not only the staff and pupils, but your parents too. Look back at one of our previous topics as we turn our entire school

	Note: Please ensure an even split between the year band so that one member of staff doesn't have too many children.		Blindfold sensory trail Clay work outside Shelter building Egg Cress Heads Capture the Flag or similar games			into a museum for the night. Showcase your amazing learning with everyone and your superb work too!
Year 2		Mini sketches/play – find a script or something silly from around a campfire and make it your own. You could even write your own script for your favourite story and act it out.	Bug Hotels – have a look at what a bug hotel is and why it is so important we look after the insects in our world. Go on a bug hunt to see what you can find around the school and perhaps look for somewhere to build your hotel. Find lots of materials and design, build and decorate your hotel together.	Our World – Choose some of the world's most interesting countries to dive into and explore. Learn some of their language, look at their culture and traditions, find them on a map and even have a go at making something from their country or even try their food.		
Year 3		Puppet show – have a go at creating a script for the puppets that you create. It could be a story you already know or you may wish to create your own.	Green fingers – get yourselves outside and make the most of one of our allotment beds. Research what is best to grow at this time of year and make sure to check up on it every week. Look out for weeds!	Team Building and Problem Solving – This is your chance to learn to work well together. Have a go at some team games and challenges. Can you work well together as a team? How can you be an even better team?		
Year 4		Poetry Slam – there is a whole wealth of great poems for performing out there. Have a listen to some great poets performing their own poems before learning a poem of your choice to perform – get creative with actions!	Expeditions – use your map reading skills and learn all about how to read 4 figure OS grid references. Learn about the different symbols on a map too. Use your learning to plan a walk on Berryhill fields or around the local area before heading off on	First Aid: Understand the importance of getting help What to say when you call 999 How to reassure someone who is hurt Explain how to help someone who is: Unconscious Bleeding Burnt		

			<p><i>your expedition! Make sure you pack everything you will need and wear the right clothes!</i></p>	<p><i>Having an asthma attack</i></p>	
Year 5		<p><i>Dance – there are so many different ways to dance out there. Have a look at some from around the UK or even the world. Have a go at creating your own dance routines before performing them.</i></p>	<p><i>Orienteering – Build on your map work skills from Y4 and learn how to complete an orienteering course – a bit like a treasure hunt. Have a go at a small course on the school grounds before heading out into the local area. Then maybe even have a go at creating your own!</i></p>	<p><i>Money Sense – Use the amazing Natwest resources to learn all about money, from how to budget, what a bill is and how to see what is going in and out of your bank account.</i></p>	
Year 6			<p><i>Fire-lighting and camp cooking – Learn how to light a fire safely, understanding what you will need to get a fire going. Then use these skills to cook yourselves some tasty campfire treats. You may even wish to learn a few campfire songs!</i></p>	<p><i>Debating and Presenting – Learn how to present your ideas or how to argue your point by developing your speaking and listening skills. Choose a topic to debate and choose a topic to present – how will you engage your audience? How will get your opinion across in a calm and well-mannered way?</i></p>	<p><i>Biz Kids – Its time to put that money sense knowledge from Y5 into practise and set up your own business to fundraise for your end of year celebrations.</i></p>
