

Eaton Park Careers and Aspirations Brochure

Autumn Edition 2022

What a fabulous first term we have had! There has been lots going on and lots to celebrate, with a few careers-related experiences along the way! These will become more frequent as we move into the spring term as I have been working with Mr Owens at Discovery and other Trust Careers Leads to plan some exciting things and make links to improve our career-related learning further.

Year 5 were lucky enough to have a session with an astronomer to link in with their science topic of Space! He brought in equipment that he uses for his job and taught Year 5 more about our Solar System. Hopefully, this inspired some of our Y5s to literally reach for the stars themselves!

Year 1 had a career-related experience as part of their enrichment programme with Matt the Musician! He told the children how he got into music, exactly what his job is and even showed and played some of the instruments for them! The children loved telling me all about Matt and how he encouraged them to go for whatever they wanted to do in life no matter what anyone says.

Our next unit in PSHE is 'Dreams and Goals' where the children will explore different jobs and what they might want to do when they are older. This will include looking at targets, obstacles and potential back up plans. Our Y4, 5 and 6 children will look at money in terms of budgeting, how much different jobs pay and the cost of living crisis!

Look out for examples of work on our next brochure.

Before COVID struck, we had the exciting opportunity to take some of our Y4, 5 and 6 children to both of the campuses at Stoke on Trent College, which were extremely popular. We will be starting these again for Y5 and 6 initially, with the hope of Y4 being involved too. The children can choose a campus depending on their interests and what they would like to do when they leave school. Past students spoke so highly of the experience last time, so it would be amazing to take our current children.

★ Hall of Fame ★

We have a lot of ex- Eaton Park pupils, parents and members of the local community who have gone on to achieve amazing things in their further education and beyond. As an inspiration for our children, I would like to continue to celebrate some of these people each term.

A HUGE well-done goes to ex-Eaton Park pupils for performing in the Trust Choir at our recent Staff Awards Evening. It was lovely to see you performing as a group and with solos thrown in too!

Boxing Champion –

Lia Crowe

Hi, my name is Lia Crowe; I was a student at Eaton Park Academy until 2016. While at Eaton Park, I started my journey as an amateur Boxer and in the past 6 years, I have had over 20 fights, 15 of which I have won. I am currently the Midlands champion in my weight category and I will be defending this title in February. My passion for Boxing has helped me find what I want to do in my future and I am currently finishing my final year at Sixth Form College before I go onto University to become a P.E Teacher and Boxing Coach.
